“ *My thoughts and prayers are with the Hall family. I worked with Bill and Dennis for many years at Venture. He was a very good tool maker. We worked on several program launches together. I often asked Dennis how Bill was doing after his retirement. Bill and Mary also invited my sister in law over to discuss her brother's up coming kidney transplant. What wonderful people to help all who were in need. He will be sorely missed by all. God Bless and may he watch over you in this time of sorrow.##imported-begin##Colleen Buckhanon##imported-end##*
