“ Dear Pat and Family,  
Just a note to let you know my thoughts and prayers remain with you. Mack was such a wonderful, caring, Christian example to all of us at New Hope and he is missed so much. There is no doubt in my mind that his crown has many jewels! What joy to know we will see him again at our appointed time.##imported-begin##Margaret Saberan##imported-end##

“ Dear Pat & family,

*My thoughts and prayers are with you. I loved attending New Hope Full Gospel Church with Mac since I came here in 1986. What a blessing he was in all the many capacities he served these many years at New Hope. Never did I hear a negative word or comment from your husband and dad! He truly was an example of a Christ-follower. I don't think we could find a kinder, or more compassionate man. He will be sorely missed at New Hope. This morning I looked over at the pew where he usually sat and how empty it looked. But we don't sorrow as the world because we do have that "peace that passes all understanding..." What a glad reunion day we will have with Mac. Let's all be ready to meet him!  
Love you!!!##imported-begin##Virginia L. Vogel##imported-end##*

“ Dear Pat and family,  
May God's grace and peace carry you through the days ahead. you all are in our prayer during these very difficult days.  
You will shed tears that he is gone, and you will smile because he lived, you can close your eyes and Pray that he will come back, or you can open your eyes and see all that he has left. Your heart will seem empty because you can't see him or it can be full as you remember the Love that you shared. You can turn your back on tomorrow and live in yesterday, or you can be happy for tomorrow, because of yesterday... A thought to remember: Just at the moment when someone at your side said, "He is gone!" There was other eyes watching his coming, and other voices ready to take up the glad shout: "Here He Comes!" I know he was greatly loved by many and in them He will always live on.  
With our Sincere Sympathy,

“ Dear Edwards Family my heart goes out to each and everyone of you. I am so sorry for your loss. I remember Mr. Edwards as the candy man and for many years He guided me thru life's up's and downs. I have so many wonderful memories when we worked together at Highland Park and Mc Graw Glass. Mr. Williams was always a loving, giving, understanding person with a open heart. He never found any wrong in people, He just believed in them. God Bless each and everyone of you. His memory will forever be in my heart.###imported-begin##Paula Stockard###imported-end##

“ *Sister Pat and Children,  
Wow! What a hero! He knew how to lead, follow, or get out of the way and let God arise and His enemies be scattered. We will be forever grateful for his love for us and The Entire Body of Christ. He will always be remembered as an encourager and the most faithful man ever. He blessed and strengthened our lives so many times, preserved our marriage... especially when it was sorely need... a gift of sharing a "time share" week in Florida and all of that free... just because he knew the true principals of the Kingdom of God. Brother Mack was a mighty giant follower of Jesus and We will forever be blessed simply knowing and being with him. He made an impact on lives, especially children and older people. He steps were most definitely ordered of the Lord and the Lord delighted in Mack's Ways. Wow!!!*

*Please understand that we are here for you and promise to ask the Lord to uphold, preserve, and sustain you. Ask us for help along the way. We remain your friends and are there for you.
